Beach Treasure Hunt Challenge

Photography Challenge:

If you have a camera (or phone with camera) try our beach hunt challenge:

- Take a picture of each item you find
- Take weird pictures of items in the area and challenge your family and friends to try to guess what they are!
- Get your parent/guardian to share them on Facebook or Instagram with @themiddleofeverywhere

What types of things can you find at the beach:

- natural objects
- unnatural objects
- landscapes
- wildlife
- people

Be Creative:

- Think about the background: don't let the background detract from the object
- Think about the light and shadow, colours, reflections, clouds, sunsets/sunrises
- Make sure it's in the frame!
- Zoom in, crouch down, lean over to get a better perspective on things such as
 - A flower or leaf
 - An insect
 - A bird
 - Landscapes or where you see the sun

Take lots of pictures and see what you can learn from them!
